Introduction

This is intended for those LA's who have been using the Children in Employment and Entertainment (CiEE) Module for some time but may not be getting the best out of it due to a lack of knowledge of the full features and functions that are available.

This could be down to:

- Lack of time to fully explore the functions and features available.
- Insufficient training or lack of initial knowledge transfer (from previous staff).
- A reluctance to embrace new methods of working.

Benefits

This refresher provides your CiEE team with an opportunity to review if they are getting the best use out of the module. Providing an opportunity to.

- Fully utilise the CiEE Module to its maximum potential
- Train new staff, and staff with inherited knowledge
- Have more efficient and effective working methods suited to the demands of the job
- Save time and costs by working more effectively
- Improve staff morale and understanding of how the module can support and assist in the daily work.
- Be fully compatible and conform with business standards and targets.
- Improve customer service
- Have greater reporting capabilities

Pre-requisites

To enable us to provide a quality service, and to achieve the maximum benefit from this service package, the following is required from the Local Authority:

- A CiEE Module licence and be active users of the Module
 It is assumed that users have experience of using the CiEE Module and how it operates and assists in their day to day work
- Appropriate access to all Capita One Education Clients for the Knowledge Specialist

- The local authority will have the confidence that the new solution will enable them to continue maintaining current applications, work permits and licences details for their children

Additional Service Options

Additional Elements (as required)	Benefits
Creation of Management Information Reports to support the CiEE Module (Off Site) Reporting requirements can be documented during the project. If support is required to produce these reports this work can be estimated and costs provided based on the exact requirements of the LA. Please discuss your requirements with your Account Manager	Reports can be produced to display any information recorded in the Capita One Education database, this information can be used to check data quality which in return can be used to inform training
Ask the Expert Sessions If you need adhoc support for the Capita One Early Years suite of modules that you do not consider warrants a full training session, then one of our Ask the Expert sessions may be a better way of providing this support. A Knowledge Specialist will work with you remotely to answer questions / demonstrate requested functionality.
