Introduction

Crystal has been a vital tool for MRI Education users and support staff. Delegates will learn the more advance functions on top of the beginner training to create powerful, well-presented reports.

Benefits

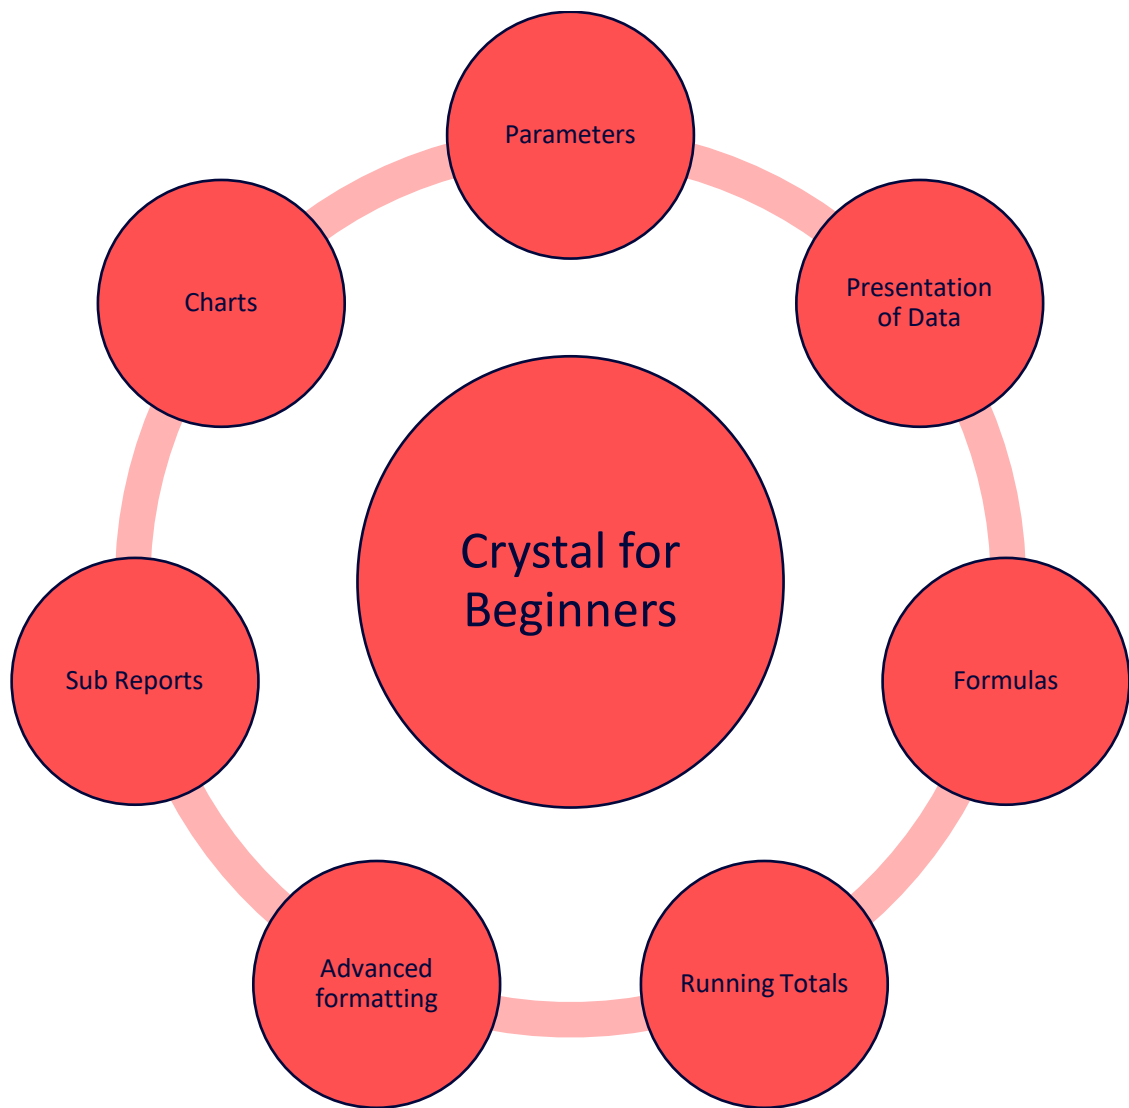

Export data from MRI Education for displaying statistical data to management teams. Create letters in bulk. Create letters for individuals using data from MRI Education. Show trends in data.

Pre-requisites

- Crystal reports 2012 or above
- Oracle Client
- MRI Education Client or Back Office
- Login for Database

Service Overview

MRI Education will assist in the successful implementation of the Crystal Reports by providing the following:

We believe in a strong emphasis on a proactive partnership with the customer. The MRI Education Project Coordinator will work closely with the customer’s appointed Project Lead throughout the project to achieve this. The MRI Education Project Coordinator is the coordinating MRI Education staff member assigned to the project and is therefore able to respond authoritatively to the needs of the project and will actively and continually monitor progress on all risks, issues, actions, and decision in order to ensure successful delivery.
